

XVSV

Digital Video Recorder

Versatile, Full Hybrid 16 Channel DVR

Intuitive setup menus, easy to configure recording schedules, and 6 intelligent search options make the XVSV series of DVRs a hassle-free hybrid solution for your analog and IP camera recording needs. These powerful DVRs come equipped with up to 12 Terabytes internal storage, optional iSCSI storage, maximum recording speeds of 240 FPS, and a DVD+RW standard.

- Full hybrid recording channels for analog and IP cameras
- Supports H.264, MPEG-4, MJPEG compression codecs
- Mobile apps (iPhone, iPad, Android)
- 240 FPS recording
- Compact, space saving chassis
- Dual monitor support on all systems
- Multi-Site SCS software. The SCS software remotely manages 100+ DVRs allowing you to configure, view, search, export, remotely upgrade, and monitor alarms
